## Leistritz Lifecycle PRO: Our safety promise

How about getting **maximum safety for your pumps at minimum cost?**  
With **Lifecycle PRO** we offer you a maintenance solution for your pumps that is **individually tailored** to the needs of your company.

### Regular and preventive maintenance

with Lifecycle PRO pays off in many ways:

- no unplanned production interruptions
- avoidance of cost-intensive repairs
- original Leistritz spare parts at a special rate
- extension of the pump service life through expert maintenance by the manufacturer

**Warranty extension included!**
