

NEW!

BE CLEVER. STAY SAFE. GO FUTURE:

Your **Leistritz HealthCheck**

Your Certified Leistritz Extended Warranty for Safety and Control

Until 30. September 2020 from € 550,-*

- ✓ Extended Warranty
- ✓ Improved operational safety
- ✓ Avoid down times
- ✓ Minimise work flow interruptions
- ✓ Avoid costly damages
- ✓ Reduce spare parts handling

The Leistritz HealthCheck: Act now for your Benefit!

Don't wait for a **standstill** to check out your pumps' functions! Pumps are subject to wear and tear. If you know exactly how well your pumps are operating, you are best able to ensure your production lines run smoothly. Regular **Leistritz HealthChecks** help you achieve just that. Recognise in advance repairs that may become critical later. Avoid costly damages or down times. Act now and go safe. **On top, your warranty period will be extended.**

You need:

- **extended warranty?**
- **reliable risk assessment and solutions?**
- **improved safety with Leistritz Service?**

Then grab your opportunity now!

Take advantage of your HealthCheck Summer Special:

From € 550,-* per pump

If you have more than one pump in operation, contact us for an unbeatable offer.

Plus 10% discount on spare parts

for all HealthCheck certified Leistritz pumps.

*Recommended end price, travel costs excluded
